2 - Screening

During the screening, you will give a blood sample and get your vital signs checked, including your blood pressure, pulse, and temperature

Readmore

3 - Physical Exam

The first time you give plasma, you will receive a brief physical exam given by a trained medical specialist to make sure you stay in good health.

Readmore

4 - Donation

After approval, plasma center staff will set you up at a plasmapheresis machine that collects whole blood from a vein in your arm and it separates out the plasma.
